ARTICLE II - PURPOSES

A multiple listing service is a means by which cooperation among participants is enhanced and by which information is accumulated and disseminated to enable authorized participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so participants may better serve their clients and the public.

ARTICLE III - SERVICE AREA

The area within which the Service shall function shall all times be the service area designed by the CHS Board of Directors.

ARTICLE IV - PARTICIPATION

SECTION 4.1. PARTICIPATION DEFINED

An individual who is a principal, partner, corporate officer, branch manager, or broker-in-charge acting on behalf of a principal will be eligible to participate in Multiple Listing if they: (a) hold a current, valid, South Carolina real estate broker license, property manager in charge license, or an appraiser's license; (b) agree, in writing, to conform to the CHS MLS bylaws, rules and regulations; (c) pay all applicable MLS fees and charges; and (d) actively endeavors during the operation of its real estate business to cooperate with other Participants.

Use of information developed by or published by CHS is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or any right of access to information developed by or published by CHS where access to such information is prohibited by law.

The Principal of any firm, partnership or corporation or the branch office manager designated by said firm, partnership or corporation as the "participant" shall have all rights, benefits and privileges of the Service, and shall accept all obligations to the Service for the Participant's firm, partnership or corporation and for compliance with the Bylaws and Rules and Regulations of the Service by all persons affiliated with the Participant who utilize the Service.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement is that the Participant actively endeavors during the operation of its real estate business to cooperate with other Participants. "Actively" means on a continual and ongoing basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a Virtual Office Website ("VOW") (including a VOW that the Participant uses to refer customers to other Participants). An MLS may evaluate whether a Participant or potential Participant "actively endeavors during the operation of its real estate business to cooperate with other Participants" only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. These membership requirements shall be applied on a nondiscriminatory manner to all Participants and potential Participants.

SECTION 4.2. APPLICATION FOR PARTICIPATION

Application for participation shall be made in such manner and form as may be prescribed by the CHS Board of Directors and made available to any principal eligible to participate. The application form shall contain a signed statement agreeing to abide by these bylaws and any other applicable rules and regulations of the service as from time to time amended or adopted.

SECTION 4.3. DISCONTINUANCE OF SERVICE

Participants may discontinue the service by giving CHS thirty (30) days' written notice and may reapply to the service at any time by making a formal application in the manner prescribed for new applicants for participation provided all past fees are fully paid. A Participant whose resignation is less than a year old may have services restored by paying MLS fees times the number of months the resignation was in effect dating back to the date of resignation within the current calendar year or by paying the \$1000 application fee, whichever is less.

SECTION 4.4. SUBSCRIBER

Where the terms "subscriber" or "user" are used in connection with the Multiple Listing Service, they refer to all non-principal brokers, sales licensees, and licensed and certified real estate appraisers affiliated with an MLS Participant, except those subject to fee waiver under the MLS's policies. Subscribers also include affiliated unlicensed administrative and clerical staff, personal assistants, and individuals seeking licensure or certification as real estate appraisers who are under the direct supervision of an MLS Participant or the Participant's licensed designee.

SECTION 4.5 GOVERNMENT USERS
